

Stock update: for committee meeting on 1 March 2010

I continue to purchase stock over the internet endeavouring to secure best price at the time of ordering. Goods are sold to members at cost price as the association is not permitted to make profit on sales.

We continue to sell most of the stock we buy mainly at our Level 1 courses. An update on purchases, sales and current stock is given below. All income from sales has been passed to our Treasurer. I propose to buy some more bowlers markers, run counters and Cooper cards for the forthcoming Level 1 course to ensure we have enough stock to satisfy demand.

12 Run counters @ £1.57 each (£18.79)

3 sets of heavy bails @ £7.95 each (£23.85)
